

Oak Grove Elementary is very proud of the Parent Volunteer Program in place here at school. We believe it is important for children to see teachers and parents working together. This helps children realize there is a bond between home, community and school.

School volunteers are parents, grandparents or caring adults who assist teachers and staff with day – to – day activities involved in providing a balanced education for our students.

Will you join us? If you are interested in becoming a new school volunteer, please come to an orientation meeting on **Thursday, August 23 at 8:00 a.m.**
